

2010 Church Planters Roundtable

April 23-24, 2010 Radisson Kansas City International Airport Hotel

Planting a church for Jesus Christ is one of the most exciting and demanding tasks you could undertake. Besides the obvious need for the blessing and power of God to accomplish His work, detailed planning, preparation, and training are indispensable.

Our goal is to give you, the church planter, the opportunity to share resources and ideas with other church planters from around the country.

WHEN: Begins at noon on April 23, and ends at noon on April 24.

WHERE: Radisson Kansas City International Airport Hotel

NEAREST AIRPORT: Kansas City International (KCI)

COST: Free for 2 team members per Great Commission church plant (or potential Great Commission church plant)

HOW: Please RSVP by calling the GCC office (740-964-1002) or emailing Casey Clemente at info@gccweb.org by Monday, March 29.
